Virtual Assistance • Administrative Support • Email & Calendar Coordination • Customer Service • Client Communication • Social Media Management • WordPress • Pinterest SEO • Content Scheduling • Data Entry & Reporting • Email Marketing • Workflow Automation • Task Coordination • CRM & Ticketing Tools • Process Improvement • Team Leadership • Problem Solving & Client Relations

PROFESSIONAL EXPERIENCE

Virtual Assistant | Independent Direct Clients

Jun 2022 – Mar 2026 | Remote

- Delivered administrative, customer service, social media, website, and marketing support to two independently acquired, long-term international clients, saving them time and allowing greater focus on business priorities.
- Coordinated inboxes, calendars, customer correspondence, reports, and recurring tasks independently, improving day-to-day organization and maintaining responsive communication.
- Created and scheduled social content; published and formatted WordPress posts and WP Recipe Maker cards, helping maintain consistent content delivery.
- Conducted Pinterest keyword research, applied Pinterest SEO, scheduled pins, and promoted affiliate-linked blog content to support clients' online marketing activities.
- Contributed to email marketing, sales funnels, and workflow automation, supporting more organized and efficient recurring processes.

Virtual Assistant | Axury Virtual Assistance

Apr 2021 – Aug 2024 | Remote

- Delivered administrative, customer service, social media, website, and digital marketing support through the agency, helping clients maintain organized operations and consistent business activities.
- Coordinated client communications, recurring assignments, and digital tasks, supporting timely deliverables and responsive customer service.
- Contributed to content publishing, social media scheduling, and marketing activities to support clients' online presence.
- Mentored aspiring Virtual Assistants in administrative procedures, digital tools, and client support practices, preparing them for agency assignments without a separate dedicated trainer.
- Earned the Mentor of the Year award for contributions to mentee readiness and development.

Facebook Ads and Funnels Marketing Assistant | Capstone Holdings LLC

Nov 2020

- Proofread advertising creatives, monitored Facebook campaigns and conversions, and contributed to sprint testing and marketing progress reviews.

Department Head | XCOIN Philippines Inc.

Feb 2020 – Nov 2020

- Oversaw Know Your Customer (KYC) and Card Fulfillment departments at a fintech startup, supervising six employees and coordinating workflows, quality checks, performance reviews, and training.

- Ensured continuity of card fulfillment operations during COVID-19 by retrieving essential supplies from the office and independently handling inventory, card printing, packaging, and shipment coordination from home, while coordinating deliveries and meeting with prospective business clients virtually.
- Negotiated with local and international suppliers, reviewed card and packaging designs, and communicated with international business clients.
- Improved departmental processes and took on training and customer support duties, helping reduce staffing costs.

Customer Service Representative | Card Fulfillment Support | XCOIN Philippines Inc.
May 2019 – Feb 2020

- Resolved inquiries about delayed card deliveries independently and escalated complex concerns when necessary.
- Processed KYC applications, maintained inventory, and personally printed and packaged cards for international business clients.
- Coordinated international shipments, including in-person dispatch through postal and courier branches to clients' end customers.
- Consolidated information, reduced duplicate work, improved inventory tracking, and simplified reporting while covering two functions; earned promotion to Department Head.

Facebook Page Manager | Independent Business
Apr 2017 – May 2019

- Oversaw a wellness product Facebook page, creating promotional posts, responding to inquiries, supporting product marketing, and processing member registrations.

Technical Support Professional | Stream Global Services Philippines Inc.
May 2006 – Jun 2012 | Formerly AOL Member Services Philippines Inc.

- Delivered live chat and email technical support for connectivity, software installation, account access, and application issues, resolving cases independently and escalating complex concerns.
- Documented troubleshooting and resolutions, coached fellow agents, and participated in software beta testing.
- Earned service, performance, and attendance awards; contributed to the team's 85% Member Satisfaction Index (MSI) on a four-week rolling average.
